# The Saving Church Teaches how to Live With God

1. It's hard to idolize someone you live with.
2. It takes changing you to succeed.
3. To stay motivated, you have to know if it will be worth it in the end.

"Since you think that I should be your king, and since the Lord our God has given his approval, let us send messages to our brothers throughout the land of Israel, including the priests and Levites, inviting them to come and join us. And let us bring back the Ark of our God, for we have been neglecting it ever since Saul became king."  
1 Chron. 13:2-3

1. God only lives where He is welcome and recognized as God.
2. God has boundaries that we must learn.
3. There is great blessing for those who welcome Him into their home.
